that you reflect on your speeches and what you have learned in the course. In order to complete this
assignment you must write an evaluation of your informative speaking experience.

In a 1-2 page double-spaced paper please address the following questions:

1. What was your mindset before you delivered the speech?
   - Were you comfortable with the material?
   - Did you feel prepared?
   - How and when did you practice?
2. Identify three things that you did well in your presentation.
   - Be specific, why were you satisfied with these elements?
   - Did the course material help you perform successfully?
3. Identify three things that you could continue to improve.
   - Why were you dissatisfied with these elements?
4. What will you take away from this experience to help you improve on these elements?
   - What did you learn from the class that you can continue to use to get better in your future public
     speaking endeavors?

▶) What tangible steps will you take to get better?
